SOLUTIONS

شركة حلول اعمال  
الخليج المحدودة

**YOUR INNOVATIVE TURNKEY  
PROVIDER OF TECHNOLOGY  
ENABLED SOLUTIONS AND SERVICES**

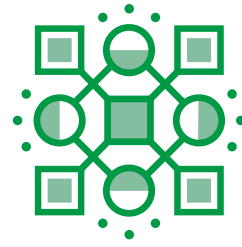

Since we started doing business more than thirty years ago, we have grown into a world-class enterprise. Today, our operations are supported by a sales and engineering team with unrivaled expertise and a rich portfolio of products and services ranging from printing systems to end-to-end digital transformation solutions.

GBS enables organizations and businesses in their journey towards a digitalized business environment with cutting edge Information and Technology Solutions. We source and select only the most advanced products and solutions through the many strategic partnerships we have developed over the years with some of the world's leading technology companies.

GULF BUSINESS  
SOLUTIONS

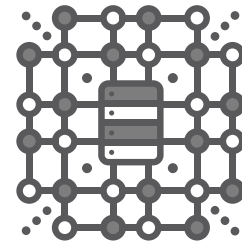

شركة حلول أعمال  
الخليج المحدودة

## INFORMATION SOLUTIONS

GBS focuses on Enterprise Information Management, Digital Transformation, and Interactive Smart Solutions integration.

Along with building Systems & Automated Processes, we apply the most comprehensive portfolio of business information management technology into services & solutions that simplify, and streamline your enterprise management needs.

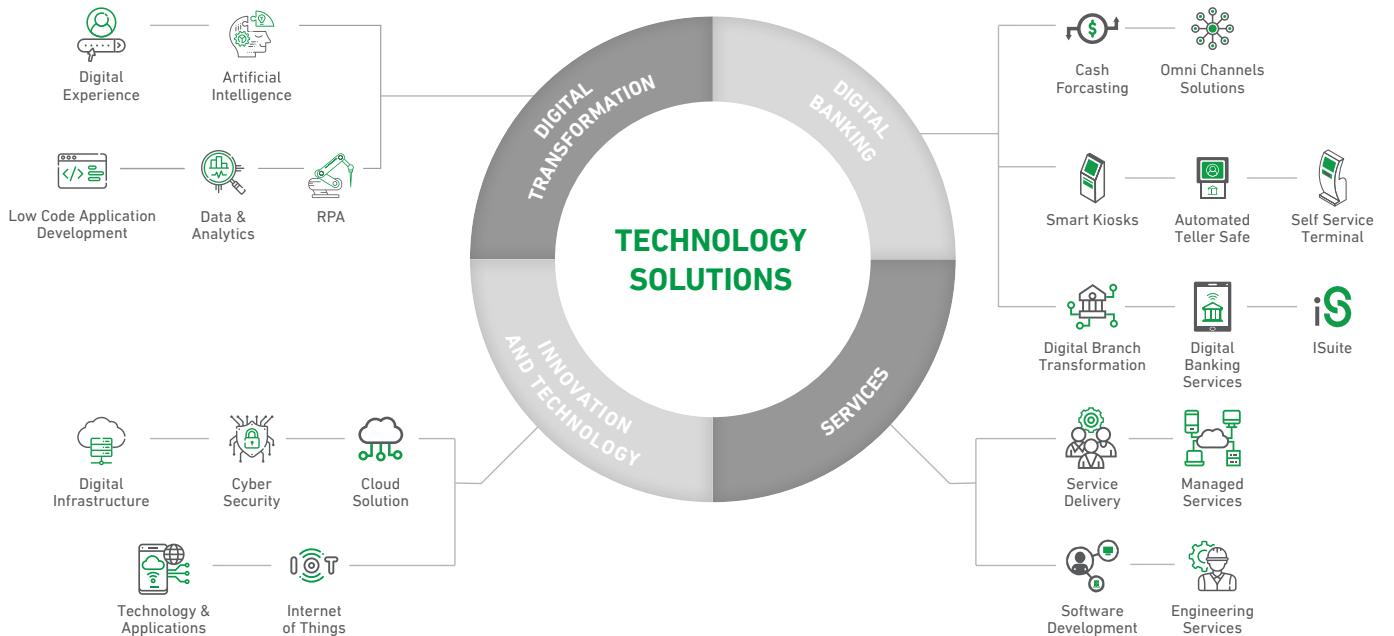

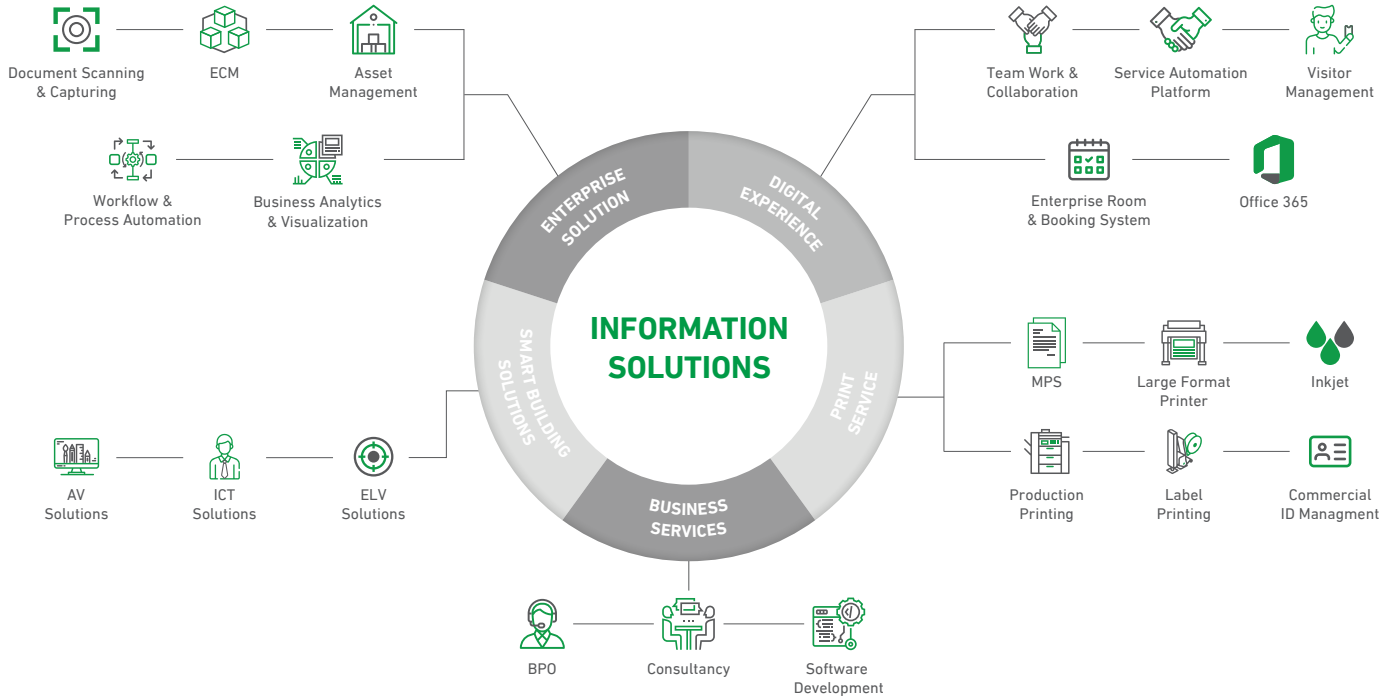

## TECHNOLOGY SOLUTIONS

GBS digital technology powers the future by creating advanced solutions that support the digitalization of all enterprise and human development projects.

Even with 30 years of experience in digital innovations, we are constantly reinventing ourselves by expanding on a robust portfolio of digital products and in-depth technical expertise to support our digital transformation clients in every major industry.

# GBS PORTFOLIO

A comprehensive range of world-class solutions

# WHY CHOOSE GBS?
